## *Professional Cleaning Services*

Hello and welcome to your new home,

What an exciting time for you, a new home and a new adventure, it's all new as you settle in.

I won't keep you long because I know you'll need to start unpacking, but if your new home is anything like mine when I moved into it, you'll want to give it a good clean, get rid of the dust that seems to be *everywhere*...

Well, we can help with that, we offer a reliable and consistent domestic cleaning service on a weekly or fortnightly basis with a 2 hour minimum clean. And since moving home is a stressful and expensive time, I'm offering you a [£5 discount off your first clean with us](#).

You can rest assured we are fully insured and our cleaners are all thoroughly vetted with I.D and references taken up.

See what others say about us at [www.cinderellacleaningcompany.co.uk/testimonials](http://www.cinderellacleaningcompany.co.uk/testimonials) and then call **xxxxxx xxxxxx** to book your first clean with us and get your £5 off but please don't delay, these offers usually get booked really quickly, I don't want you to miss out...

Well that's it for now really, enjoy your new home and welcome to Sutton Valence!

Best wishes,
